

Exchange Journey

EXCHANGE PROGRAM MAKES MY DREAM COME TRUE!

My exchange experience at the University of Central Missouri in Warrensburg has been truly enriching. Immersed in American culture, I had the opportunity to engage with individuals from diverse backgrounds. One of the most profound aspects of my exchange journey was the emphasis on friendship within American culture. Academically, I pursued finance with minors in Accounting and Economics deepening my understanding of financial systems and economic principles. Outside the classroom, I immersed myself in Missouri's vibrant sports culture, attending soccer, basketball, baseball, and ice hockey games.

PUTRI ARISSA BALQIS BT AB LLAH
BA242
BACHELOR'S DEGREE IN FINANCE

Reflecting on my exchange journey at the University of Central Missouri, I recognize it as a transformative phase in both my academic and personal growth. It instilled in me a deeper appreciation for cultural diversity, resilience in the face of challenges, and the significance of fostering meaningful friendships. Additionally, Living in Warrensburg for five months allowed me to develop maturity and resilience, and fostering a proactive mindset.

Thank You MACEE, World Learning, & FBM for the opportunity given!
